evilevilcouch@gmail.com: i dislike dreaming so late in the day
evilevilcouch@gmail.com: i woke up at 7:30
evilevilcouch@gmail.com: but something about my mind kept dreaming
evilevilcouch@gmail.com: and i kept wanting to go back to sleep
evilevilcouch@gmail.com: so i kept trying to go back to sleep between 7:30am and 11am
evilevilcouch@gmail.com: then i went back to sleep at noon
me: yeah, I never made it to sleep
me: was too excited
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: oh?
me: about to ruin another company
evilevilcouch@gmail.com: lol
me: or, rather, I just did
evilevilcouch@gmail.com: that's silly
evilevilcouch@gmail.com: which?
me: Palantir
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: oh?
evilevilcouch@gmail.com: wha happon?
me: we collected all the info we needed to show that the CEO was being dishonest
evilevilcouch@gmail.com: haha
me: and that their employees were in fact heavily involved in the conspiracy
me: built a special Anon team to compile it
evilevilcouch@gmail.com: nadya posted on my wall
evilevilcouch@gmail.com: her dad
evilevilcouch@gmail.com: would prob
evilevilcouch@gmail.com: have opinions on all this
evilevilcouch@gmail.com: hrm
evilevilcouch@gmail.com: anyway!
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: so
evilevilcouch@gmail.com: hmm
evilevilcouch@gmail.com: random ques
evilevilcouch@gmail.com: are you still smoking crack?
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: i'm not asking that in a judgemental way -- just curious how you were able to stay up all night

evilevilcouch@gmail.com: haven't known you to stay up all night
me: because we were researching stuff
evilevilcouch@gmail.com: ah, k
evilevilcouch@gmail.com: just curious
evilevilcouch@gmail.com: i've been stuck inside of waking dreams
evilevilcouch@gmail.com: i hate it
me: in fact, the only time you saw me smoke crack I went to sleep as usual
me: silly
evilevilcouch@gmail.com: didn't you smoke it in the morning?
me: not really
evilevilcouch@gmail.com: heh
me: just hit it just in case
evilevilcouch@gmail.com: /me nod
evilevilcouch@gmail.com: i don't like being stuck inside my dreams
evilevilcouch@gmail.com: they put me on antipsychotics in highschool because it reached a point where i couldn't distinguish memories from dreams
evilevilcouch@gmail.com: like, i'd mix them up way too much cause my dreams were always so, SO vivid
me: yeah, have had that in various circumstances
evilevilcouch@gmail.com: lol i'm naturally predisposed to that
evilevilcouch@gmail.com: adderall helps me come back to reality
evilevilcouch@gmail.com: but this is apart of my withdrawal i guess
evilevilcouch@gmail.com: well
evilevilcouch@gmail.com: i became dependent on it to wake up
evilevilcouch@gmail.com: hahaha
evilevilcouch@gmail.com: there's this groggy phase i haven't had since i haven't been off of adderall
evilevilcouch@gmail.com: and i don't know how to deal with it with my dreams
evilevilcouch@gmail.com: i dream too much
evilevilcouch@gmail.com: heh
evilevilcouch@gmail.com: i guess that's why i don't like drugs
evilevilcouch@gmail.com: hehe, i guess it isn't that bad though
evilevilcouch@gmail.com: most people don't dream enough
evilevilcouch@gmail.com: so what's all going on now?
evilevilcouch@gmail.com: though i guess it's best for my "security" if i'm out of the loop for the most part...
me: nothing much
evilevilcouch@gmail.com: i haven't been following the news the past day
me: just reading up on stuff
evilevilcouch@gmail.com: it seems like a lot of stuff is stirring up, though
me: it is indeed
me: lot of folks in a tizzy

evilevilcouch@gmail.com: hehe
evilevilcouch@gmail.com: you misspelled palantir
evilevilcouch@gmail.com: i think a couple times
evilevilcouch@gmail.com: in your tweets
evilevilcouch@gmail.com: hahahaha
me: damnit
me: Palantir
me: right?
evilevilcouch@gmail.com: p. sure
evilevilcouch@gmail.com: you have google, innit
evilevilcouch@gmail.com: INTERNET
evilevilcouch@gmail.com: hey should i send nadya a message on facebook asking her/her dad's opinion on the varying events as of late?
evilevilcouch@gmail.com: he was formerly a lobbyist, but not for national stuff anymore
evilevilcouch@gmail.com: last year when i hung around them still he was focusing on regional
evilevilcouch@gmail.com: they were basically whistleblowers about certain things
evilevilcouch@gmail.com: btw
evilevilcouch@gmail.com: my niece gabrielle wants me to come down to austin with vanessa sometime soon
evilevilcouch@gmail.com: so what went down with palantir?
me: never called me
evilevilcouch@gmail.com: interesting
me: so I dropped the info to bloomberg, greenwald
evilevilcouch@gmail.com: lol
me: don't blame them
me: I think they researched it
me: saw the aaron clip
me: decided it would be stupid to talk to me in that format
evilevilcouch@gmail.com: hm?
evilevilcouch@gmail.com: which format?
me: phone
me: in which one has to answer without sitting there and thinking about it
me: like with Aaron
evilevilcouch@gmail.com: heh
me: there was that part in which he was stumped
evilevilcouch@gmail.com: btw, when recording things
me: for a couple questions
evilevilcouch@gmail.com: turn off the air filter and the a/c/heat
me: yeah
me: I keep that air filter off when you're note here anyway
evilevilcouch@gmail.com: also turn off the lights that make you backlit

evilevilcouch@gmail.com: and turn on the lamp at your desk
me: k
evilevilcouch@gmail.com: you'll look better
evilevilcouch@gmail.com: haha
evilevilcouch@gmail.com: for future interviews, like, if it's a video interview, i could help set up something for you
evilevilcouch@gmail.com: for lighting and such
evilevilcouch@gmail.com: teehee, minou's between my legs under the covers
evilevilcouch@gmail.com: she's such a sillybear
evilevilcouch@gmail.com: do you want to do something on valentine's day?
me: NOOOO
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: ok
evilevilcouch@gmail.com: btw kevin and mike's schedules were changed to sunday through wednesday
evilevilcouch@gmail.com: er
evilevilcouch@gmail.com: yeah
evilevilcouch@gmail.com: so they have thursday through saturday off
me: oic
me: what does that mean for me?
evilevilcouch@gmail.com: so they've had a long weekend
me: oh also
evilevilcouch@gmail.com: nothing much
me: my mom came by
evilevilcouch@gmail.com: oh?
me: wouldn't leave until she had found the shoes and shirt she keeps at her house and gave me to wear to funeral
evilevilcouch@gmail.com: and?
me: god it was terrible
evilevilcouch@gmail.com: lol
me: finally I remembered I left them in dad's car
evilevilcouch@gmail.com: ah
me: which also ran out of gas when we tried to leave funeral
evilevilcouch@gmail.com: how was the funeral, btw?
evilevilcouch@gmail.com: oh snap
me: it was gay
me: one of my political enemies was there
me: MArvin Olasky
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: why is he your enemy?
me: lolololo
me: ask Caleb

me: his enemy too
evilevilcouch@gmail.com: lolol okay
me: lemme see
evilevilcouch@gmail.com: what else did your mom go on about?
me: well, I need to tell you via voice because it's a long story
me: well, for a second she asked if I had sold those shoes for drugs
me: luckily I found the shoes behind the chair afterwards
evilevilcouch@gmail.com: hahahahaha
evilevilcouch@gmail.com: good
me: then I ignored her while writing back to al-Jazeera and Bloomberg
evilevilcouch@gmail.com: lol
me: I think Palindrome or whatever the fuck it's called is going to come after me
evilevilcouch@gmail.com: palindrome?
evilevilcouch@gmail.com: palantir?
evilevilcouch@gmail.com: i'm sort of glad that google has my street messed up
evilevilcouch@gmail.com: er, the street i'm on and the one behind me mixed up
evilevilcouch@gmail.com: because on all the things that have geo location shit on it
evilevilcouch@gmail.com: like pictures i take on my iphone or whatever
evilevilcouch@gmail.com: it directs people to the house the street behind me
evilevilcouch@gmail.com: haha
evilevilcouch@gmail.com: so that's good
evilevilcouch@gmail.com: do you know who i could talk to about my ideas to save the news industry?
me: hmmm
me: Aaron Barr needs a new project
evilevilcouch@gmail.com: pfft
evilevilcouch@gmail.com: seriously!
evilevilcouch@gmail.com: not necessarily saving mainstream news
evilevilcouch@gmail.com: but the little and medium guys that try to put out quality need help
evilevilcouch@gmail.com: do you have op-eds lined up?
evilevilcouch@gmail.com: oh, i was supposed to remind you of something today
evilevilcouch@gmail.com: oh yeah
evilevilcouch@gmail.com: forbes
evilevilcouch@gmail.com: email the forbes contacts i emailed you
me: hold on, gonna make summary video
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: lolololololol
evilevilcouch@gmail.com: "REMIND ME TOMORROW"
evilevilcouch@gmail.com: "K"
evilevilcouch@gmail.com: "HAY, THAT THING"
me: yeah, but I haven't slept

me: and this is more urgent
evilevilcouch@gmail.com: "O HOLD ON, INTERNET CALLS"
me: because I don't need Forbes at the moment
evilevilcouch@gmail.com: lol it just simply made me giggle :-p
me: carry on then
evilevilcouch@gmail.com: teeheeheee
evilevilcouch@gmail.com: :-p
evilevilcouch@gmail.com: btw, try moving the floor lamp behind you
evilevilcouch@gmail.com: to be on the other side of the desk
evilevilcouch@gmail.com: and have them both on
evilevilcouch@gmail.com: and see how that makes you look
evilevilcouch@gmail.com: when you record a video
evilevilcouch@gmail.com: and turn off the other lights so you aren't backlit
evilevilcouch@gmail.com: (and the rest of your place doesn't need to be visible anyway
evilevilcouch@gmail.com:)
evilevilcouch@gmail.com: also, try propping up your laptop to about eye level maybe, and have the camera pointed a bit down
evilevilcouch@gmail.com: just suggesting to try the last bit -- it may not make as much difference, but pointing the camera down at people makes their jawlines more evident => more attractive
evilevilcouch@gmail.com: when the camera is pointed up it can make their jawline disappear
evilevilcouch@gmail.com: btw, don't forget to look into whatever other news outlets that would pay quite a bit for a piece from you on all of this and your involvement
evilevilcouch@gmail.com: or, rather, your first-hand observations or something
evilevilcouch@gmail.com: man, i can't move because there's a minou napping on my leg under the covers
evilevilcouch@gmail.com: and it's just much too cute to disrupt
evilevilcouch@gmail.com: k called chris, he's busy and said he'll call around 6pm lol
evilevilcouch@gmail.com: i think it's funny that these are the search suggestions:

evilevilcouch@gmail.com: man, cleaning the wound
evilevilcouch@gmail.com: oh dear god that was disgusting
evilevilcouch@gmail.com: ugh

evilevilcouch@gmail.com: i need to buy some new bedsheets
evilevilcouch@gmail.com: cause kevin's asleep right now and i can't wash them
evilevilcouch@gmail.com: it's such a task to wash and dry my bedsheets at the proper time to not bother kevin, as well as have them done for me to sleep
evilevilcouch@gmail.com: have you watched biella's tv interview?
evilevilcouch@gmail.com: http://vimeo.com/19806469
